LOCAL MATTERS.

CHURCH NOTES-MUSIC.-The Monumental church was closed on Sunday. Rev. Mr. Norwood officiated at St. Paul's At the Leigh-Street Baptist church Rev. Beorge F. Williams preached morning and

there a revival is in progress. At the Second Baptist church large congregations assembled morning and evening, despite the fact that at the time of the latter service the weather was very threatening. Rev. J. F. Deans, of Norfolk, preached on both occasions. In the morning his discourse was well suited to the communion season, and at night he delivered a solemn sermon to the impenitent. At both services the music was excellent. In the morning a new " Deus Miseratur," by Danks, was sung at opening. During the collection the lovely quartette, "O. Thou God who Hearest Prayer," was beautifully rendered by Misses Redford and Reinhardt, and Messrs. Redford and Grant. At night the choir was reinforced by Mrs. Tyler (formerly Loocherman), who in the opening piece (Gloria in Excelsis, by Henry Wilson,) sung with all the power and sweetness characteristic of this exquisite artiste, as also in the closing

THE REPUBLICANS IN COUNCIL-ACTION OF | IMPROVEMENTS .- The stationary men at THE CONGRESSIONAL COMMITTEE YESTERDAY .- the truck-house, on Broad street, deserve this district met yesterday at the customthe convention. The friends of Mr. Rush Burgess, who, it is said, has had his revenue officers canvassing the district for the last eight weeks in his favor, insisted on the convention being held on the 15th September. The friends of Hon. John Ambler Smith (who has been in Europe for some months,

been mentioned in the Dispatch,) favored a postponement. Mr. Brooke, of Caroline, moved to postpose until the first Wednesday in Octoberthe 7th. The question being put, the motion was carried-ten voting in the affirmative,

while only two opposed it. It is pretty generally understood that Mr. Smith's friends-and they are reported to be in the majority-have not finally decided whether a convention will be held, but it is now thought that they favor the idea. Mr. Smith bas already expressed himself in favor of a convention, but says he will not be a car didate unless he receives a decided manight. Rev. Dr. Garlick is absent from the city, assisting Mr. Clopton in New Kent,

jority in the convention. A meeting of the friends of Messrs. Chandler and Burgess was held last night and the merits of the candidates thoroughly discussed. A prominent colored man who was present a short time during the meeting met our reporter late in the evening and informed him that Mr. Smith would not meet with the opposition which his friends had at first feared; that within the past few days many of the negroes bad undergone a change, and if Mr. Smith receives the nomination, as his friends claim he will, all of the negroes in the district will give-him their support, except a few employed around the customhouse. Our reporter was also told that Mr. Bur-

gess's friends are confident that he will secure the nomination of the convention, and they are quite as bard at work in his behalf. After the adjournment of the Congressional Committee the Executive Committee met, and prepared the following call for a meeting throughout the district to elect deegates to the October Convention:

"By resolution of this committee you are hereby notified that meetings throughout the district to elect delegates to a Congressional Nominating Convention to meet in Richmond on Wednesday, October 7th, 18:4 will be held on the 30th day of September No delegate elected prior to that time will be "J. M. HUMPHREYS, admitted. Chairman Republican Executive Committee Third District.

FALLING OF THE CORNICE OF THE OLD CITY HALL .- About five minutes after 10 o'clock last night an unusual noise and rumbling was heard by persons even in remote parts of the city, which proved to have been caused by the falling of the immense stone cornice long the entire southern front of the old City Hall building. The blocks of sandstone, which formed this cornice, were very large, and the noise which was made when the entire cornice fell to the sidewalk may be very well imagined by those who did not hear it. A portion of the sidewalk, from near the corner of Eleventh street to within a short distance of Dr. Tupper's residence it is supposed of heart disease.
